

## How to Increase your current Income

Before you even begin this exercise, you first need to get into the right frame of mind. Do not allow your mind to restrict your options by beginning this in a negative, I can't do anything frame of mind. You are in control of your life, you can take control, you can earn more and you deserve more.

There are many ways to increase your current income, here are 15.  
Which one, or more, are you going to commit to?

- |  |        |
|--|--------|
| If paid hourly, can you increase the hours you work in the short term?   | YES/NO |
