Minimum Monthly Financial Freedom Figure

Be ruthless, look at every expense, monitor your cashflow monthly and find ways to reduce your expenditure to the bare minimum. The lower this figure is, the quicker your route to financial freedom. Use the Budget planner to help you set this figure.

My Minimum Monthly Financial Freedom Figure is _____ per month

Financial Independence

Now add in a few more luxury items, things you first sacrificed in order to hit your minimum monthly financial freedom figure. This gives you surplus and a comfortable lifestyle. I recommend this is 50% increase on your Minimum.

My Financial Independence Figure is _____ per month

Financial
Opulence
figure

Financial Opulence Figure

This is far more money than you need, it covers all of your luxury items and gives you a very good lifestyle. It's not extreme, you're not going out buying a brand new Ferrari or flying First Class across the world every month. As a guide I recommend this is at least double your minimum figure.
