

## MY ROUTE TO FINANCIAL FREEDOM

My Minimum Financial Freedom Figure is \_\_\_\_\_

My Financial Independence Figure is \_\_\_\_\_

My Financial Opulence Figure is \_\_\_\_\_

On average a Single let property nets £350 per month, therefore

I only need \_\_\_\_\_ properties to reach my minimum financial freedom figure.

If I could buy 1 property every 6 months, I would be **mortgage free in** \_\_\_\_\_ months

If I could buy 1 property every 6 months, I would be **financially free in** \_\_\_\_\_ months

**That means I could escape the rat race in** \_\_\_\_\_ months

If I could buy 2 properties every 6 months, I would be mortgage free in \_\_\_\_\_ months

If I could buy 2 properties every 6 months, I would be financially free in \_\_\_\_\_ months

**That means I could escape the rat race in** \_\_\_\_\_ months

I therefore commit to escaping the rat race on or before \_\_\_\_/\_\_\_\_/\_\_\_\_

Now download the Finance Finder to plan your strategy for buying the properties you need in order to escape the rat race.
